

We are in the early stages of planning a 3 week expedition to **CUBA** in **JULY 2012**. If you are interested in being a leader, please come along to one of the presentations at **SELKIRK HIGH SCHOOL (19:30, 02.03.11)** or **KELSO HIGH SCHOOL (19:30, 08.03.11)**.

Leaders need to be committed, enthusiastic, good humoured and able to work with young people. They play a full part in both the planning of the expedition and the projects we take on in Cuba.

A typical expedition involves a voluntary project, living and working alongside a community,

the chance to experience the culture, explore the country and undertake adventure activities, as well as environmental projects.

If this experience appeals to you, then application forms are available now. They must be returned by **APRIL 1ST** and you **MUST** be able to attend a Leader Selection weekend **15-17TH APRIL 2011**.

For further information or an application form, contact

cuba@borders-exploration-group.org.uk or see www.borders-exploration-group.org.uk
