

We are in the early stages of planning a 3 week expedition to **CUBA** in **JULY 2012**. If you are interested in being a venturer, please come along to a presentation at **KELSO HIGH SCHOOL** (19:30, 29.03.11).

Venturers need to be **between 16 & 25** when we leave in 2012 and will need to be committed, enthusiastic, and prepared to play a full part in training weekends, fundraising and the projects in Cuba.

A typical expedition involves a voluntary project, living and working alongside a community,

the chance to experience the culture, explore the country and undertake adventure activities, as well as environmental projects.

If this experience appeals to you, then application forms are available now. They must be returned by **MAY 1ST** and you **MUST** be able to attend a Venturer selection day on Sunday **15TH MAY 2011**.

For further information or an application form, contact

cuba@borders-exploration-group.org.uk or see www.borders-exploration-group.org.uk
